

Santangelo's

Founded in 1986, Santangelo's Restaurant was the lifetime dream of Sam, Sally and Guilio. This establishment was designed and built by the Santangelo family and friends. The restaurant is based on the generosity and flavors of Grandma's kitchen as well as recipes from chefs Guilio Santangelo and Michael DeSalis. Over the years the hard work and dedication of Sam's and Sally's eight children and devoted staff has created a home for our loyal customers. Our restaurant will continue to carry on Sam's legacy - his love for fine food, good friends, and family.
